### Your Medical Records at our Finger Tips

Having the important information allows us to do much more for you. Safely uploading your info to the Redirect platform is the first step. Its easy, and all from your phone.

### Know Your Costs

It's important you always know the cost of your care BEFORE starting. Surprise non-emergency medical bills are not cool.

### Follow-Up Matters

Sometimes you won't respond to a treatment plan. Sometimes the plan will need to be modified and/or changed all together. Count on your Redirect Health team to do what we say we will do. Count on us to finish what we start. You'll get the follow-up you need.

### Please & Thank You

Let's keep this promise simple. Expect us to return your calls & texts promptly, and to always be nice.
