

## HOW TO USE YOUR PRESCRIPTION BENEFITS

Your out-of-pocket costs will vary by pharmacy location, prescription quantity, and dosages. Always use the Redirect Health Member App to show your up-to-date information to your pharmacist. Not adding your ID information at the pharmacy could result in higher out-of-pocket costs, so please follow these steps.

- 1**  
**Start with the Redirect Health Member App**  
Download at [RedirectHealth.com/app](https://RedirectHealth.com/app)
- 2**  
**Click on your membership card to view your ID**
- 3**  
**Present your ID card to the pharmacist so they add your Redirect Health information**

**Don't see your medication?** There may be another option, or maybe your prescription goes by another name. Just contact us in the Redirect Health Member App so we can look into this for you.

**Please note:**

\*Medications that are "100% Member Responsibility" are considered "Non-Formulary" and do not count towards your max-out-of-pocket calculation.

Using your EverydayCARE® Prescription Benefit is easy. To receive the member responsibility listed below (or even lower) make sure you show your Redirect Health® Membership ID Card found on the Redirect Health Member App (RedirectHealth.com/app). Failing to present your Membership Card will likely lead to a higher charge at the pharmacy. If you don't see your medication, ask us. Prescription benefit includes many more medications and it's possible your drug goes by another name.

\*Member responsibility may be higher or lower depending on pharmacy location, quantity, or dosage. Always use the Redirect Health Member App to get the lowest price. Prescriptions with "100% Member Responsibility" are considered "Non-Formulary" and does not apply towards your max-out-of-pocket calculation.

For Formulary and Non-Formulary medications - you should rarely pay more than the Member responsibility below or the Redirect Health discounted cost when you use the Redirect Health Member App.

Using your EverydayCARE® Prescription Benefit is easy. To receive the member responsibility listed below (or even lower) make sure you show your Redirect Health® Membership ID Card found on the Redirect Health Member App (RedirectHealth.com/app). Failing to present your Membership Card will likely lead to a higher charge at the pharmacy. If you don't see your medication, ask us. Prescription benefit includes many more medications and it's possible your drug goes by another name.

\*Member responsibility may be higher or lower depending on pharmacy location, quantity, or dosage. Always use the Redirect Health Member App to get the lowest price. Prescriptions with "100% Member Responsibility" are considered "Non-Formulary" and does not apply towards your max-out-of-pocket calculation.

For Formulary and Non-Formulary medications - you should rarely pay more than the Member responsibility below or the Redirect Health discounted cost when you use the Redirect Health Member App.
