2 Plan Management

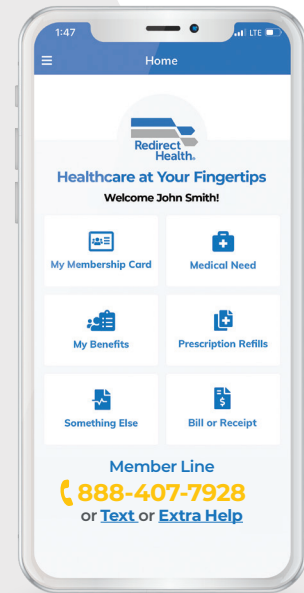

Redirect Health manages the program with the extra care your employees need - Appointment Preparation, concierge access, coordination, navigation and pre-negotiation.

3 Predictive Healthcare

Even before your plan's effective date Redirect Health starts learning about your employees' healthcare needs and the obstacles that may get in their way. Proactive, predictive and smart healthcare.

4 Contact us First

Your employees always use the Member App first (available 24/7) so they can schedule the quality healthcare they need quickly with the lowest out-of-pocket costs. Most times your employee's EverydayCARE costs will be \$0 - that's what we're aiming for. Always the right care at the right price.

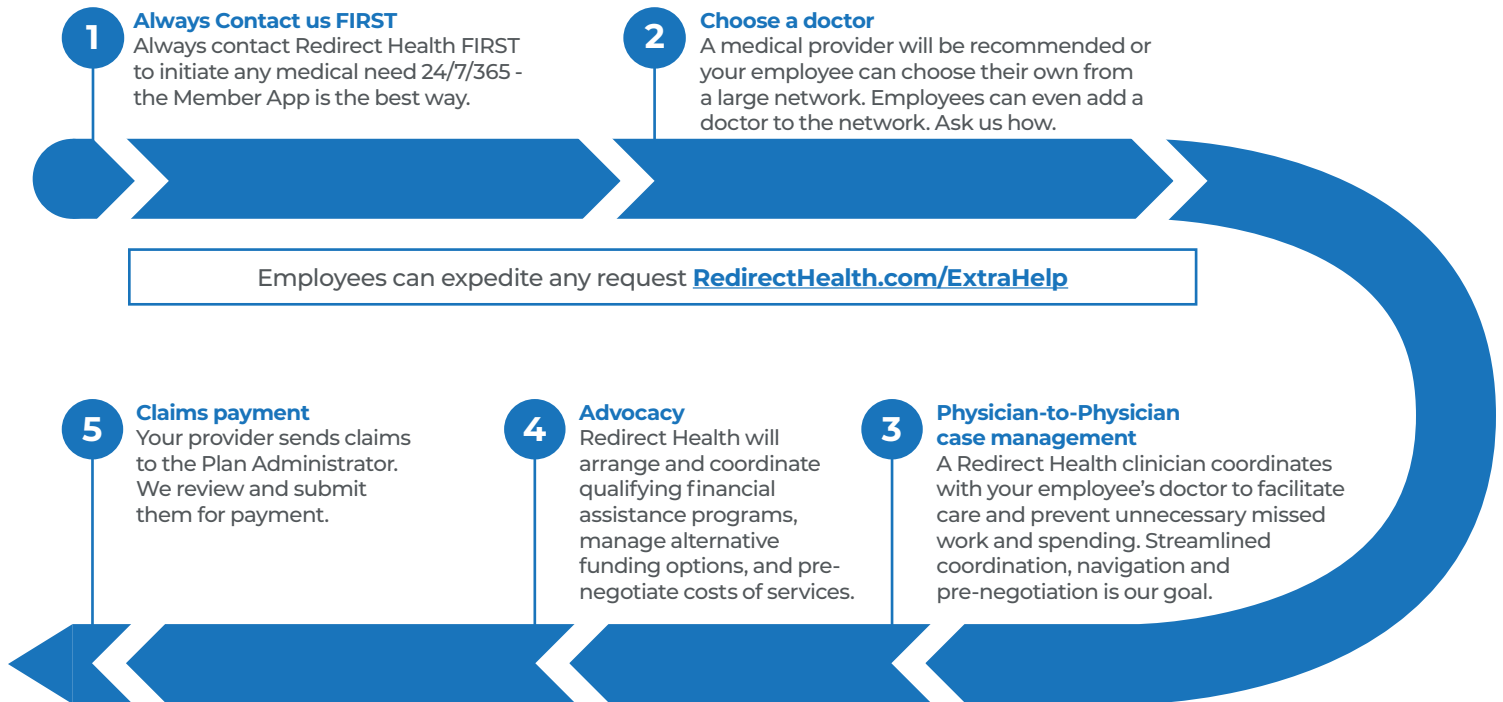

What makes Redirect Health unique

How Needs are shared with the community

Your Redirect Health plan protects your employees from high-dollar medical expenses

How Pre-Existing Conditions are shared

A condition is considered pre-existing for an employee or dependent if symptoms or treatment have occurred within the 12 months prior to joining the Medical Cost Share. See the Membership Guidelines for detailed description of what will be considered a pre-existing condition. **Controlled diabetes, hypertension, high cholesterol, seasonal allergies and intermittent asthma will not be considered pre-existing when reported prior to membership effective date.**

Conditions beginning after an Employee's effective date will be shared after paying their \$2,000 initial member responsibility then 20% with a maximum out-of-pocket of \$4,000* per year. See the Membership Guidelines for sharing rules.

Additional Sharing Restrictions

See Member Guidelines for detailed shareable restrictions.

Pre-existing conditions become eligible for sharing based on members' tenure with the plan, as indicated by the following graduated sharing schedule:

Time After Membership Effective Date	Shareable
First 12 months	Not shareable
Months 13-24	Shareable to \$25,000
Months 25-36	Shareable to \$50,000
Month 37 and after	Shareable to \$125,000

2nd opinion program

When you're diagnosed with a serious condition, everything is different. Priorities change. Who can you trust? How should you think about your time, money, job, and the doctors you will need.

Gaining the peace-of-mind necessary to make the right choices matters.

There's rarely only one pathway when you have a serious condition.

Our program guides you through a simple and easy process that helps you know all your options. So you and your family can make the wise and smart decisions right for you. **But always with Redirect Health's Medical Director right at your side the entire time.** Always working with your doctors to keep everything highly organized and timely. Redirect Health's 2nd Opinion Process

Step 1: Preparation

Let us do the work. Redirect Health's expert care team will work with your doctors to prepare for your 2nd Opinion virtual consultation. Organizing appointments for x-rays, MRI's, lab work, and whatever else you need.

Step 2: Discovery

Join a live video consultation with Redirect Health's Medical Director and the appropriate specialist as they discuss your options and choices for the best care and outcome. Imagine having a trusted doctor at your side as the various testing and treatment pathway options are discovered.

And invite anyone you want – a family member, another doctor? This meeting is for you. It will be recorded so you can watch and share with whomever you wish.

There's no hurry. Sleep on what you just experienced. Then discuss your options and choices with Redirect Health's Medical Director. So you can decide together what makes the most sense for you.
